

Burstall Carpet Bowls Report May 2025

Now in our 39th year playing Carpet Bowls in the village hall and numbers have varied a bit over the years, unfortunately last December our long standing chairman Keith Armes passed away, he was living in the village and was involved when the club was formed all those years ago, Lindsay his wife is still playing with us. Trevor Ling and Wendy Minchin were also involved at the formation and are still playing.

At present we have a friendly group of 19 members and are playing in the Suffolk Carpet Bowls events, both in the Winter and Summer leagues and their various competitions.

We have just finished the Winter league and finished a respectable 2nd out of 9 in our league and made a good start in the Summer league with a 6 – 4 win at Old Felixstowe.

We are playing regularly on Monday evenings (except Bank Holidays) and are now playing Thursday afternoons which has proved very popular.

We are still looking for new players / members and would welcome anyone interested in trying the game, please come along and give it a try from 7.30pm Monday and 2.30 pm Thursday refreshments included.

There are no special bowls equipment to buy as its all provided.

For more information please call me on 07840 291197

Richard Sago
Club Captain for 2025 / 6
